APPEALS

In Fiscal Year 2022, the Personnel Board received one hundred sixty-one (161) appeals alleging some violation of KRS Chapter 18A. These appeals came from classified employees who had been dismissed, suspended, demoted, laid off, or who alleged some other merit system violation. Included in this number are appeals from unclassified employees who were dismissed, suspended, demoted, or otherwise penalized for cause or who made allegations of discrimination. Persons eligible on employment registers compiled by the Personnel Cabinet who alleged some form of penalization are also allowed to make certain claims to the Board and those appeals are also included in this number. This number also includes appeals filed by individuals over which the Personnel Board's legal jurisdiction is questionable. The appeals were reviewed to determine whether the Board actually had jurisdiction.

The Board held approximately three hundred fifty-one (351) pre-hearing conferences. Each appeal is scheduled for a pre-hearing to determine the issues and address any matters that need to be clarified before the evidentiary hearing. Some appeals may require more than one pre-hearing conference. The Board's Executive Director and General Counsel conduct almost all the pre-hearings to conserve the hearing officers' funding.

The Hearing Officers (including the General Counsel and Executive Director) conducted twenty-seven (27) evidentiary hearings. Some of these were multiple-day hearings, while others lasted only part of a day. The Board reviews each of the Hearing Officers' Findings of Fact, Conclusions of Law and Recommended Order. The Board also reviews any Exceptions and Responses to Exceptions filed by the parties and considers oral arguments, if requested by the parties. In all cases, the Board takes the final action.

The General Counsel and the Executive Director of the Personnel Board mediated four (4) Personnel Board appeals, none of which resulted in settlement.
